

Advanced Audiology of NY Announces Acquisition of Connect Hearing (Scarsdale)
A Leader in Hearing Healthcare Thriving During Otherwise Uncertain Times

FOR IMMEDIATE RELEASE

July 30, 2020 , Tuckahoe, NY

Advanced Audiology of NY, a leader in providing Audiological and Vestibular diagnostic and rehabilitation services in Orange, Rockland and Westchester Counties, has announced the acquisition of Connect Hearing (Scarsdale). The announcement comes at a time when many Audiology practices in the area are struggling to get back to regular operations in the wake of the Covid-19 pandemic. *“These are uncertain times, but we have worked tirelessly to create a safe environment for patients who need hearing care now more than ever during the Covid-19 pandemic. We believe that hearing is essential and we are committed to being here for our existing and prospective patients,”* said Dr. Jasen Ruiz, owner and Chief Audiologist at Advanced Audiology of NY.

Connect Hearing (Scarsdale) has been a mainstay in the community for almost 30 years, and Advanced Audiology of NY has vowed to continue providing both current and future patients with the high level of care they have come to expect. Although the Scarsdale location will be closing, current patients will have the option to be seen in the Tuckahoe, Middletown or Nanuet locations of Advanced Audiology of NY. All records will be transferred in accordance with HIPAA regulations to facilitate a smooth transition and ensure continuity of care.

Advanced Audiology of NY was founded by Dr. Jasen Ruiz, Sc.D. in 2011 with the mission of *“providing immediate relief for those struggling with hearing loss in a courteous and*

service oriented manner. It has taken courage, imagination and unbeatable determination to build a practice where patients want to return time and again. We are deeply devoted to fostering a relationship with each individual placed in our care,” said Dr. Ruiz. Since its opening in 2011, the practice has quickly grown to three locations in order to meet the increasing hearing health needs of Orange, Rockland, and Westchester County residents living with hearing loss, tinnitus and balance disorders. *“Advanced Audiology of NY specializes in making the lives of our patients safer, easier and better through the diagnosis, treatment and prevention of hearing loss,”* said Dr. Ruiz. *“We are looking forward to welcoming Connect Hearing (Scarsdale) patients into our practice and helping them continue on their journey to better hearing and a better quality of life.”*

Advanced Audiology of NY offers a wide range of hearing loss treatment options as well as audiological and vestibular services to improve your overall hearing health.
