

At this time, we have decided to close our doors for two weeks (3/20/2020 thru 04/06/2020). We feel this is in the best interest for our employees and patients to help stop the spread of COVID-19. This decision was not made lightly. We will be checking messages daily and returning calls. We will also mail batteries and wax traps. If you have any questions or concerns, please call or email us.

Be well and stay healthy!
