

CURBSIDE HEARING AID CLINIC 11am to 12pm

You are welcome to continue to come to our office for the daily Walk-In Clinic between 11am & 12pm to have your hearing aids cleaned and checked. However, beginning March 17, you are also welcome to call us once you are here and we'll come curbside to get your hearing aid.

Simply park & call 901-842-4327 or 731-660-5511 & we'll come to you!

This is temporarily available to all of our current hearing aid users who are in need of a hearing aid cleaning or repair due to the Covid-19 concerns.

If you need to drop off your hearing aid for repair at a time other than this, please call us for an appointment to serve you Curbside!
