

## Holiday Technology Extravaganza

Happy Fall from your friends at Advanced Hearing Care!

Patients are raving about the benefits of our new hearing aid technology by Oticon. We are offering incentives when you choose to upgrade your current technology.

Our goal is to help you hear better in difficult situations. We will be offering a \$500 trade-in credit when you upgrade to new technology and trade-in your old devices. Oticon's new technology is fit with new prescriptive methods that help eliminate many of the common problems that people experience including hearing in noisy situations, and listening to multiple people speak at once. Oticon devices are comfortable to wear and are available in several sleek designs.

I hope you will call our office at **575-446-4251** to schedule your free appointment today. Don't miss this opportunity to experience better hearing!

*\*Offer expires Dec. 1<sup>st</sup>, 2018.*
