

COVID-19 UPDATE:

In an abundance of caution, and with the best interest of our patients and employees in mind, we are asking patients who are feeling ill in any way, have traveled in the past two weeks, or have been exposed to somebody who is/has been ill, to please contact the office to reschedule their appointments. You can call us at 575-437-4327 or email us at audiology@AHCNM.com

With the recent news regarding COVID-19 and precautions being taken by businesses and governments, we wanted to confirm that Advanced Hearing Care will continue seeing patients at this time but we are asking for your assistance in ensuring we mitigate any risk of illness transmission. Because we see patients among high risk populations (infirm, paralyzed, immunocompromised, the elderly and infants), we desire to continue to provide excellent healthcare, while looking out for the best interests of all of our patients.

We will continue to monitor the situation and will relay any closure information with patients whose appointments may be affected.

Warm Regards,
Dr. Allison Money Penny, Au.D., CCC-A, F-AAA
