

Dear Patients:

On March 22nd, 2020, the American Academy of Audiology issued a strong recommendation that all audiology practices closed their doors to direct patient care through April 3rd. We will be joining in the effort to help prevent the further spread of the Corona virus. Our offices will remain closed through April 3. We will re-evaluate at that time and post an update.

If you have an urgent need in the next 2 weeks, please call our office at 713-255-0035 or email us at office@centerforaud.com.

We will have staff checking our emails and voicemails daily and we will be able to serve you on an emergency case by case basis, if needed. We are also happy to mail you supplies as needed.

Hopefully, we will get through this and return back to business as usual to help take care of all of your hearing needs as quickly and safely as possible.

Stay well and take care,

Sara Nagel, Au.D.

Sara Nagel, Au.D., and Staff
