

Insurance Coverage

Prior to your appointment we ask that you check with your insurance provider to determine if you have coverage for hearing aids. Contact the provider using the phone number on the back of your insurance card. Our receptionist will also verify your coverage; however, it is your responsibility to know your benefits.

We recommend you ask the following questions:

1. Does my policy cover hearing aids?
2. Am I covered for 1 or 2 hearing aids?
3. How often can I obtain new hearing aids?
4. What type of hearing aid is covered?
5. Do I have a Co-pay or Deductible?

If you decide to obtain hearing aids that are covered by your insurance, Professional Hearing Aid Center will file the insurance claim as a courtesy. If you do not have insurance coverage for hearing aids, you will be expected to make a deposit on the day your hearing aids are ordered, with the remaining balance due on the day you receive them.
