FINANCIAL POLICY

Thank you for choosing Allison Audiology & Hearing Aid Center, P.C. as your hearing healthcare provider. The following is a statement of our financial policy which we require that you read and acknowledge prior to any service.

**FULL PAYMENT IS DUE AT THE TIME OF SERVICE
UNLESS WE ARE PARTICIPATING WITH YOUR INSURANCE CARRIER.**

WE ACCEPT CASH, CHECKS, VISA, MASTERCARD, AMERICAN EXPRESS, & DISCOVER.

****There is a \$30.00 charge for any returned check.****

Patients with participating insurance coverage:

All co-pays, deductibles, referrals, and/or pre-authorization numbers are expected at the time of service. Please be aware that even though we may be a participating provider in your insurance plan, all services may not be covered, depending on your plan of coverage. Therefore, verification of coverage does not mean payment in full, and is intended to serve as a guideline of coverage quoted by your insurance carrier prior to services rendered. While we follow these quoted guidelines provided by your insurance carrier, you may still be financially responsible for a portion of services (or all) when your claim is finalized, depending on your coverage. If there are questions regarding coverage prior to service, the patient and/or responsible party is encouraged to speak with their insurance provider to ensure our office has been quoted the same information.

Patients with non-participating insurance coverage:

All co-pays, deductibles, referrals, and/or pre-authorization numbers are expected at the time of service. If we do not participate with your insurance carrier and are considered out-of-network providers, or in instances where coverage has been denied, you are ultimately responsible for payment in full at the time of service. We are not a party to that contract. If you have out-of-network benefits, then you may request that we submit billing to your insurance company, after payment is received in full at the time of service. We will then accept assignment of benefits and reimburse you, after payment from your insurance provider is received and the claim is finalized.

Minor Patients:

A legal guardian must accompany all minor patients. The legal guardian is responsible for payment in full.
