

**For Patients with Medicare as Their Primary Insurance
(Not Medicare Advantage Plans)**

To our Valued Patients,

We wanted you to be aware that Medicare will not pay for everything at your visit with us. We will file your diagnostic testing with Medicare, but they will not pay for the office visit, which is where your concerns are discussed before testing and planning treatment options are discussed after testing (Medicare only pays for office visits in a physician's office). The charge for the office visit will be \$35. We will request payment at the time of your appointment. We accept cash, check, Visa, MasterCard and Discover Card.

Please contact us if you have any questions. We look forward to meeting you, and we are dedicated to taking care of your hearing healthcare needs.
