

**DOSS AUDIOLOGY  
& HEARING CENTER**

### *The Face of* **HEARING HEALTHCARE**

#### **DOSS AUDIOLOGY & HEARING CENTER**

Dr. Phallon Doss continues to be a trailblazer as she celebrates her third consecutive year as the Face of Hearing Healthcare. She graduated Summa Cum Laude from Texas Woman's University, and received her Doctorate of Audiology from the University of North Texas. She has extensive experience in a wide range of audiologic procedures, including diagnostic hearing examinations, hearing aid selection and fitting, electrophysiology, and cochlear implant programming. Along with her team at Doss Audiology & Hearing Center, she is equipped to identify and treat hearing loss in infant through geriatric patients with the latest hearing technology. She recently expanded her operations and now has two convenient locations- Schertz and Floresville. Dr. Doss also teaches distance learning audiology courses for the University of Guyana in South America. In addition to her clinical endeavors, Dr. Doss is also known for her philanthropic work. She partnered with the City of Schertz to establish May as Better Hearing Month and also hosts community events for children with hearing loss. Her favorite charitable contribution is her annual Hear for the Holidays Giveaway, which provides a free pair of hearing aids for someone in financial need. Dr. Doss prides herself on delivering unparalleled service, knowledge, and hearing expertise to the greater San Antonio area.

Schertz: 5000 Schertz Pkwy., Ste. 300, Schertz, Texas 78154, 210-819-5002
