

I hope you enjoy this Little Red Hen freebie! My pre-Ks loved reading many different versions of *The Little Red Hen* and acting out the story.

Print the shapes on red paper or cardstock and either cut them out or have your students cut them out. Add orange triangles for the comb and yellow triangles for the beak and feet. Students can either draw an eye or glue on a googly eye. Give them to words to paste onto their picture.

The Little Red Hen

“Who will help me?”

The Little Red Hen

“Who will help me?”
