ACE Solutions helps you leverage the ever-increasing workplace diversity into more effective communication. Our programs address the areas of Spoken English and Listening Comprehension through improved pronunciation, clarity and confidence of speech.

Speaking clearly and effectively is essential if you wish to be perceived as competent and confident in a personal and professional capacity. Our courses are intended to empower participants to be successful at the conversational level in a culturally acceptable way. Resources and techniques are designed to allow the participant to continue to make progress after instruction and guided practice has ended.

Programs/Services Offered:

- Foreign Accent Modification
- Regional Dialect Coaching
- Medical English
- Business Communication Skills
- Interview and Presentation Coaching
- Non-Verbal Communication Skills
- Speaking with Vocal Impact
- Speech Perception Training
